

# **LATE SUBMITTALS EQUALS GREAT NEWS**

**(For the guy who's early)**

We have a few people who are losing their spots due to submittals not coming back promptly, leaving empty spots in our production schedule. Act now, and return your submittal, and we might be able to slide your job into somebody else's vacant slot .

**If you snooze, you loose!**

*Call us with any questions, let us help you solve problems.*
