

# Typical Quoin Layouts

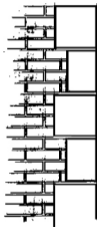

**Spaced Corner**

**Staggered Spaced Corner**

**Stacked Corner**

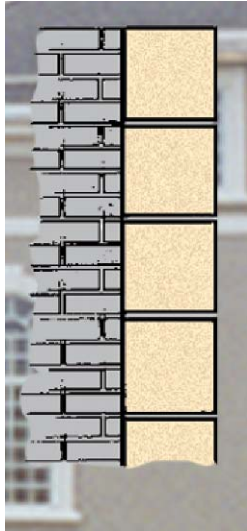

**Alternating Stacked Corner**

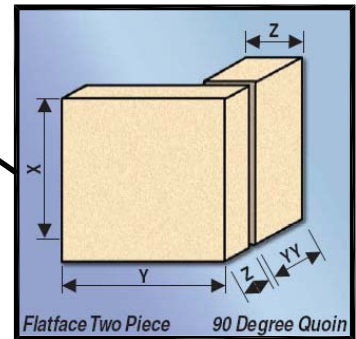

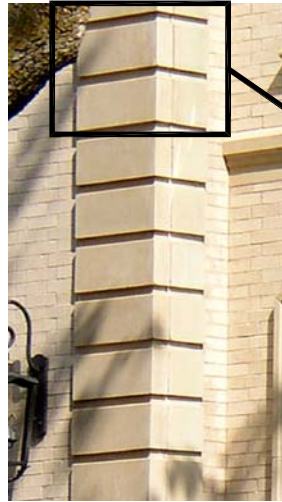

## Design Options - Quoins

Use quoins to add a bold statement to the corners of your home or place of business.

Here are several examples of Quoins that we have available and the typical quoin layouts.

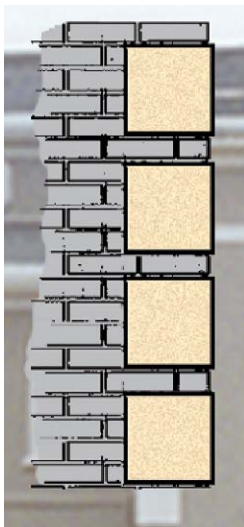

Stacked Corner

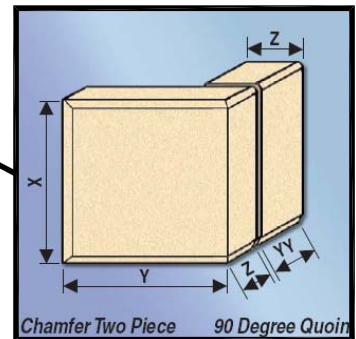

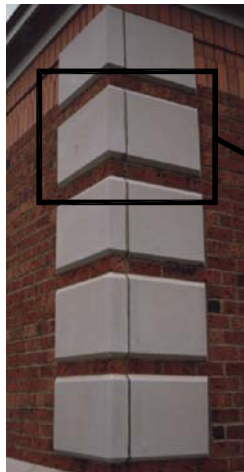

Note the flat edges.

Shown above is an example of our Stacked Corner design. It is shown with our Flatface Two Piece quoin.

Staggered Spaced Corner

Note the Chamfer edges.

This example is the Staggered Spaced Corner design. It is shown with our Chamfer Two Piece quoin.

Stacked Corner - Flatface

Stacked Corner - Flatface

Staggered Spaced Corner - Flatface

Flatface One Piece

## Design Options - Quoins

Use quoins to add a bold statement to the corners of your home or place of business.

### Installed Examples

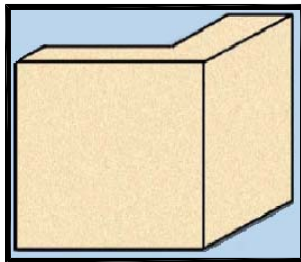

Note the different ways Alternating Staggering Corners can be used.

Alternating Staggering Corner - Chamfer

Alternating Staggering Corner - Flatface  
Note alternating stone depth.

Flatface One Piece

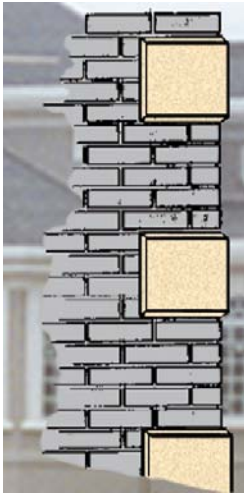

Alternating Staggering Corner - Flatface  
Note how the quoins compliment the flatface banding.

## Design Options - Quoins

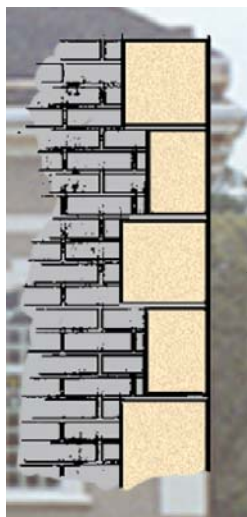

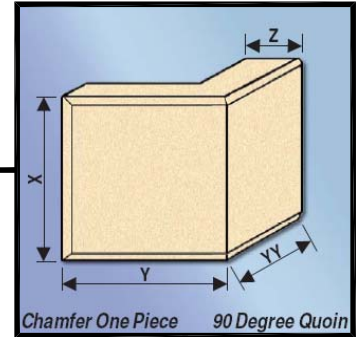

Use quoins to add a bold statement to the corners of your home or place of business.

Here are several examples of Quoins that we have available and the typical quoin layouts.

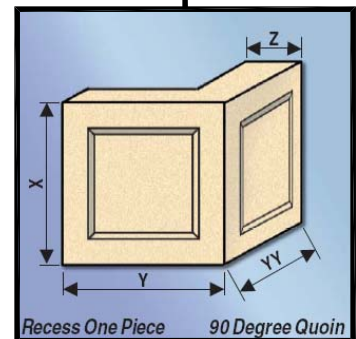

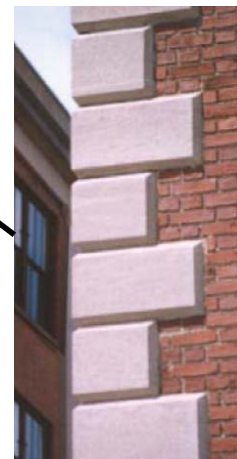

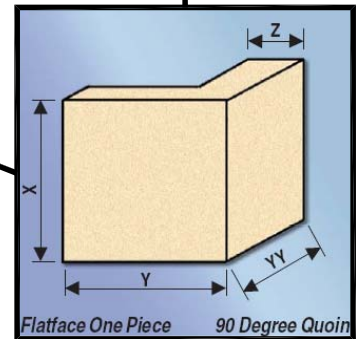

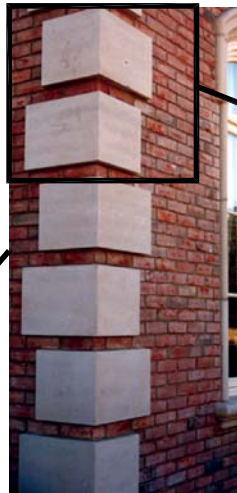

Spaced Corner

Above is an example of our Spaced Corner design. It's shown with our Chamfer One Piece quoin.

Alternating Stacked Corner

This quoin is another option to add a visual style to your home.

This one is an example of our Alternating Stacked Corner shown with both a Flatface One Piece quoin (Top) and a Chamfer One Piece quoin (below).
