

Planters / Urns Legend

Throughout time...

Stone has been used in the creation of works of art that are as beautiful and emotionally moving as they are sturdy and everlasting.

These works of art have inspired generations of artists and designers to create architecture and landscaping elements that enhance the visual experience.

Pedestals Legend

First employed by Roman architects in Classical architecture, the pedestal was used as a base for columns, statues and obelisks.

A single pedestal was also used to support a group of columns, or colonnade.
