**STONE LEGENDS**

# Designer Collections

## *Minuet* Collection

Elegance and graceful style come together. Inspired by royalty of ages past, this traditional collection fills your home with fine detail and artistic refinement.

## **Darden** Collection

Give your home a majestic aspect of the classic architecture of Rome and Greece. Your property will command much attention, and create the impression of power and strength, evoking the look of the timeless empires of history.

## **Vonde** Collection

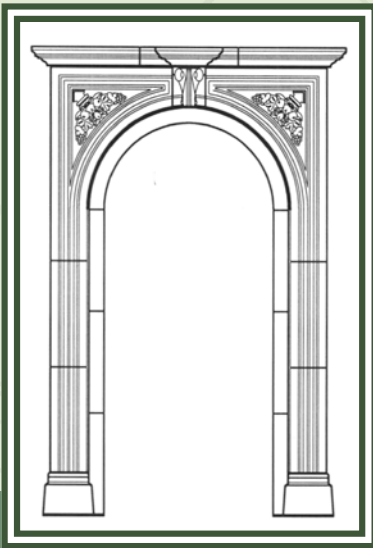

Impressions of leisure and luxury, both romance and independence, and the transformation of the modern woman inspire the Vonde Collection. Make your home the object of the envy of friends and neighbors.

## **Andros** Collection

Evoking the impact of the great men of today, of authority and adventure, and fearless risk-taking. Your home will show everyone how you're on the cutting edge of the modern era.

Our Designer Collections are carefully selected complete packages of our cast stone and natural cut stone products that help you add style and beauty to your property, at a steal of a price.
